# HVAC Budget Pricing

## Price per square foot (does NOT include base building duct loops)

### Relocation of Existing Equipment

- **Constant Volume** (relocate existing diffusers and ductwork) $2.00
- **VAV System** (relocate pneumatic VAV, relocate diffusers, some new diffusers) $3.00
- **VAV System** (relocate DDC VAV, relocate diffusers, some new diffusers) $3.80
- **FPB System** (relocate pneumatic FPB, relocate diffusers, some new diffusers) $3.35
- **FPB System** (relocate DDC FPB, relocate diffusers, some new diffusers) $4.00
- Cut, cap and disconnect (removal by others) $0.35

### All new boxes, distribution, and diffusers (base building loop exists)

- **Constant Volume** (new low-pressure duct, new diffusers) $3.50
- **VAV System** (new pneumatic VAV, associated ductwork, new diffusers) $4.25
- **VAV System** (new DDC VAV, associated ductwork, new diffusers) $5.25
- **FPB System** (new pneumatic FPB, associated ductwork, new diffusers) $5.40
- **FPB System** (new DDC FPB, associated ductwork, new diffusers) $7.35

## Price per unit

- Relocation of Supply Diffuser $290 ea.
- New Supply Diffuser $340 ea.
- New Return Grille $130 ea.
- Transfer Duct $425 ea.
- Fire Damper $300 ea.
- New Pneumatic VAV (Box, Duct, Grilles) $3,500 ea.
- New DDC VAV (Box, Duct, Grilles) $5,000 ea.
- New Pneumatic FPB (Box, Duct, Grilles) $5,800 ea.
- New DDC FPB (Box, Duct, Grilles) $7,800 ea.
- Relocate Pneumatic VAV (Some Duct and redo T-stat) $1,300 ea.
- Relocate DDC VAV $2,300 ea.
- Relocate Pneumatic FPB $2,700 ea.
- Relocate DDC FPB $2,700 ea.
- Relocate Pneumatic T-stat $250 ea.
- Relocate DDC T-stat $1,250 ea.
- Plenum Exhaust Fan (Fan, Duct, Grilles) $3,250 ea.
- Design & Permit Drawings $0.25 per ft.²
- RTU (RTU, Duct, Grilles) $2,800 per ton
- AHU (AHU, Duct, VAV, Grilles) $5,200 per ton
- Medium-Pressure Duct (24 x 10) $82 per linear ft.
- Medium-Pressure Duct (48 x 14) $124 per linear ft.
- Perimeter Electric Baseboard Heat (Supply only) $25-$75 per linear ft.
- Electric Cabinet Heater (Supply only) $450 ea.
- Supplemental Cooling $2,000-$10,000 per ton
- Insulation (Soft Foil Duct only) $2 per ft.²
- Test & Balance $0.25-0.50 per ft.²
- Sealing of Ductwork $4.00 per linear ft.
- Perimeter Blank-offs $3.50 per linear ft.
- LEED Requirement (add to above) $0.25-$2.00 per ft.²
